Tips for Posting on Social Media

1. Think about any special events happening in the month.
2. Look at your Google insights to see the best time to post on social media.
3. Focus on benefits, solving a pain point, and engagement.
4. Be consistent with how often you post.
5. Use specific keywords relating to your business (Ex. "Today at our business" vs. "Today at *Chinook Media*").
